NO CURE, NO PAY!—A CERTAIN DISEASE CURED IN TWO DAYS.—The most speedy remedy for pains in the loins, recent and chronic affections of the kidneys, disease of the bladder, gravel, seminal weakness, &c. Persons who, by indulging in a secret habit, have entailed on themselves constitutional debility, should apply immediately to DR. KINKELIN, of the Philadelphia Medical House, the oldest institution of the kind in the city. Office, N. W. corner of south Third and Union streets, between Spruce and Pine, 13 squares from the Exchange.

This medical house was established by Dr. K. thirteen years ago, for the suppression of quackery, there being so many persons, without knowledge, name or character, who put advertisements in the public papers, that an institution of this kind was highly necessary to prevent the afflicted, especially strangers, from falling into the hands of some unskillful wretch, who, instead of curing, might send his victim to an untimely grave. Therefore, the afflicted should shun the numerous pretended physicians who know nothing of the practice of medicine, but consult Dr. Kinkelin, who cures

A CERTAIN DISEASE

in two or three days, according to the state of the patient, without the use of mercury. No mercurial remedies are used by Dr. Kinkelin; his medicines are palatable and harmless, and all patients are honorably shielded from even the possibility of being discovered. He who places himself under the care of Dr. K. may religiously confide in his honor as a gentleman, and confidently rely upon his skill as a physician, and if he is not speedily relieved, no remuneration will be demanded.

Structures, one of the most troublesome and dangerous affections, which often end in gravel, inflammation, weakness, &c. Dr. Kinkelin guarantees to remove speedily, swellings, diseased prostate gland, &c. Structures have ruined many who had no knowledge of their existence. TAKE PARTICULAR NOTICE.

Young men who have injured themselves by a certain practice indulged in, a habit frequently learned from evil companions, or at school, the effects of which are nightly felt, even when asleep, and destroy both mind and body, should apply immediately. Weakness and constitutional debility immediately cured and full vigor restored. All letters sent post paid.

THE NAME—Dr. Kinkelin has had greater practice in the above affections than any physician in the United States. He also possesses an advantage over all others, from the fact of his having studied in the great hospitals of Europe. Thousands in Philadelphia can testify that he cured them after every other means had failed. Separate rooms for private consultation. Open till 9 P. M.

TRAVELERS supplied at a moment's notice, with the requisite medicine to cure themselves privately. Packages of medicines sent to any part of the United States.
